Fee policy

Registration Fees due on submission of Registration Pack

Registration: AED 1,500 (excl. VAT) Non-refundable

Fees Policy

Our nursery runs on termly registrations and not yearly registrations and parents can register children for one term in an academic year if they wish. All documents need to have been submitted and forms completed in order for placement for that term to be confirmed. The non-refundable once-off fees for registration (AED 1500) are due at the time of the registration application.

Registration forms are available in paper form and online. Parents need to update all outdated or expired documents or information as soon as they have changed because parents are responsible for keeping their documents and contact details up to date.

Term fees are payable on the last week of the preceding term and are non-transferrable subsequent terms, years, or other children. Term fees exclude the costs of optional services (extended care, transport, ECAs, and outings). Other fees (transport and extended care) are payable per term or on a daily or monthly basis in the event of intermittent needs for parent service requirements.

Late Entry

If a child joins during the term, and a place has been reserved for the child from the beginning of the term, then the full term fees are payable. If a child joins at any time during the term, the full amount of the registration and other fees are payable. However, the term fee will be calculated on a pro-rata rate for that term depending on when the child had joined.

Refund and child withdrawal

If a child withdraws at any time or does not join the Nursery, the fees for Registration, additional services fees (extended day and Transportation), and Term Fees are nonrefundable. If a notice for a withdrawal of a child initiated by the Nursery, the balance of Term fees paid will be refunded after deducting the Registration.

A child can withdraw from Nursery by providing one month's notice in writing to the Nursery to secure a refund of the remaining term fees paid, subject to the terms and conditions noted herein, failing which that term's fee in full shall be charged. The Nursery reserves the right to withhold the report cards until the settlement of all outstanding balances. The Nursery reserves the right to refuse re-admission unless all previous outstanding balances have been settled and if fees are not paid in the manner stated herein. The Nursery reserves the right to make any changes and exceptions to its Fee Policy at its discretion at any time.

Please note that we do not refund fees in the following cases: for holidays during term time. Likewise, traveling during or at the end of a term is non-refundable; for absence due to sickness; due to force majeure: closures mandated by the government through official announcements from ADEK or other government entities due to weather impact, public events impacting nursery operations, etc.

Our nursery registration and term fees payment processes will continue as outlined above during times of emergency or crisis management. Upon registration parents/ guardians will be provided with the information outlining our fees and refund policy during this time and asked to sign declaration that they understand and agree to the information provided.
